Subjective reality

Laid low in '65
- a tax was shared -
they saved his life
and free at point of care
- Just thirty years before
but few could dream
to dream the dream
of such a thing
- The N.H.S.
the thought of it
has changed the world
of many many folk
- Just thirty years before
the world we know
was far from real
back then was in the mind
- It could be said
the real was then imaginary
imaginary was real -
and think three times to make it true
